## CREATIVE IDEA

marketing planning and branding strategy, by writing creative ideas for commercials, and magic phrases for commercial campaigns

# POST PRODUCTION

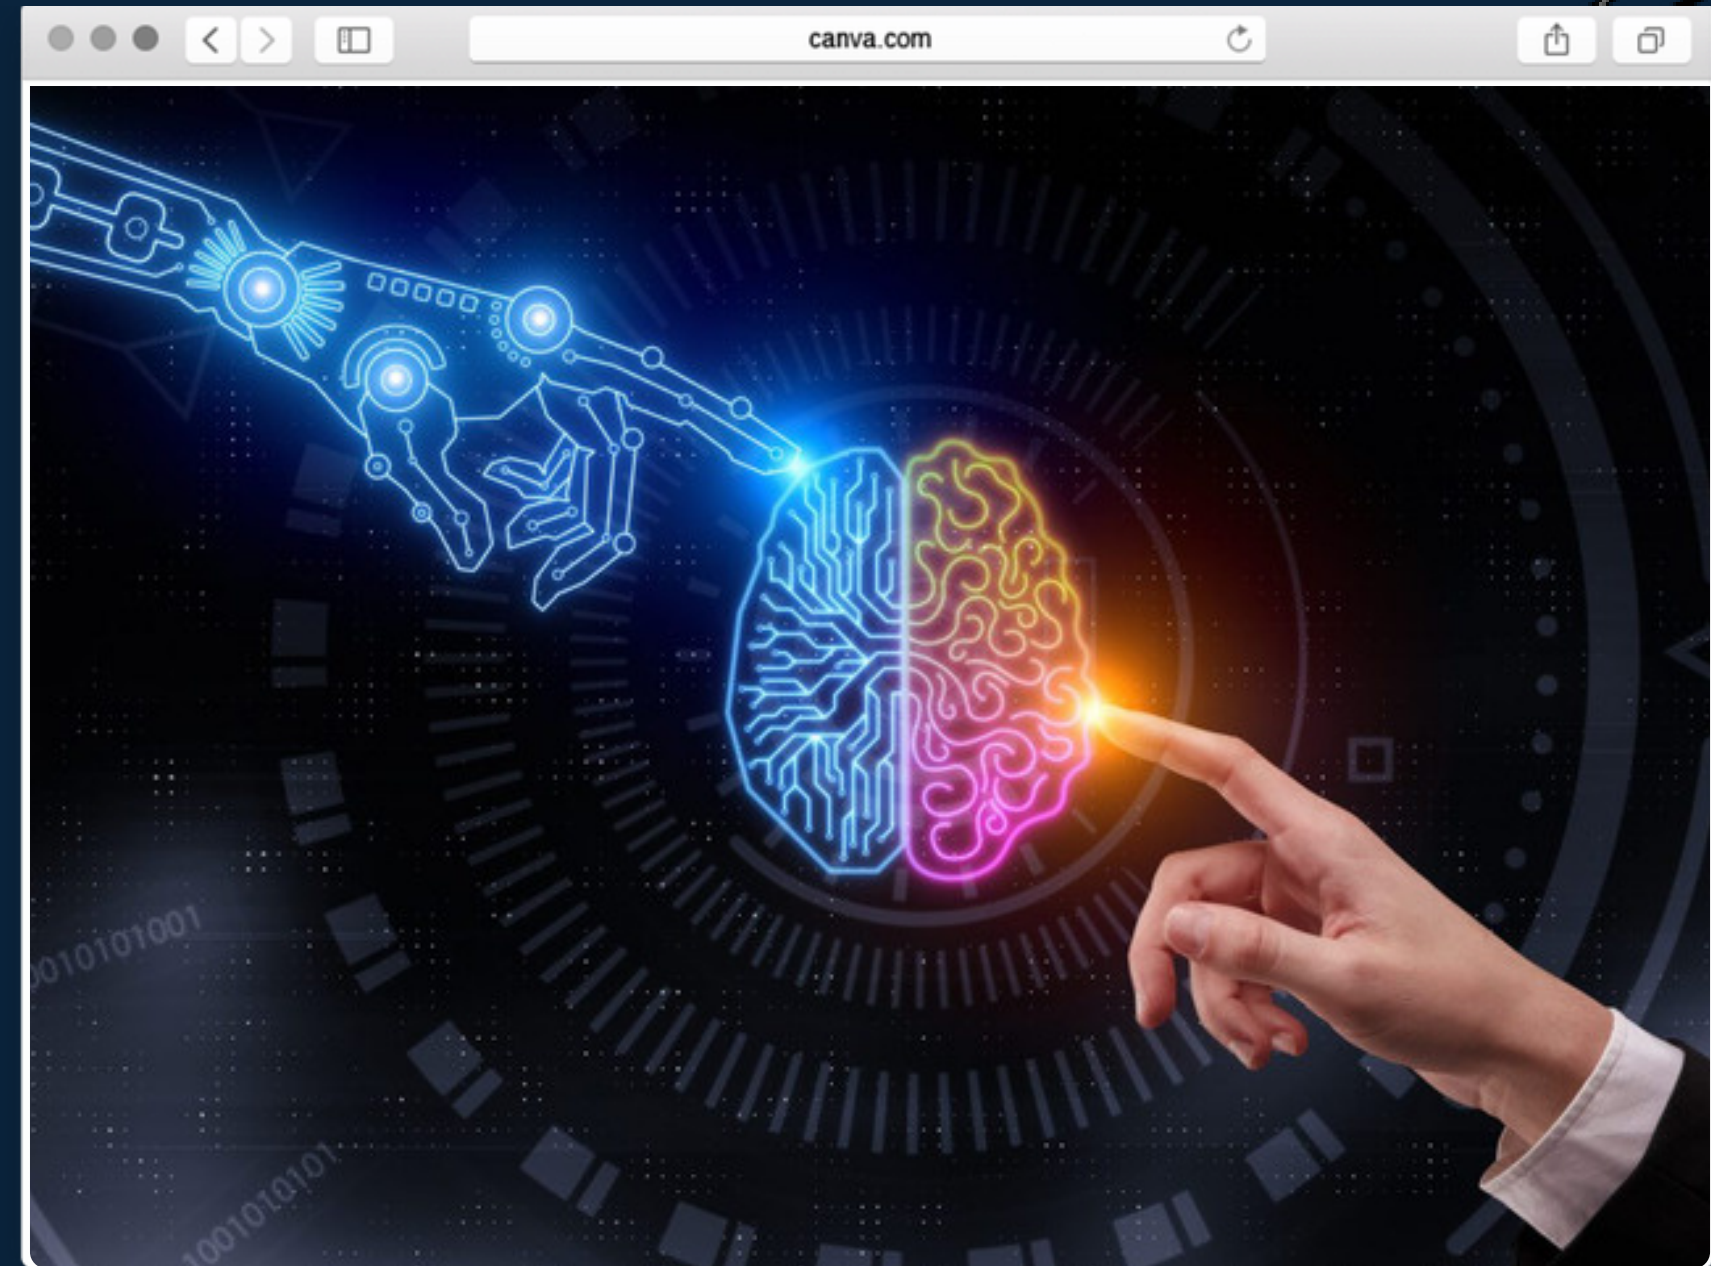

Post Production editing audio and visual materials to create a film. An editor assembles footage shot by shot, adds music (either original or licensed), and incorporates visual and sound effects.

We bring  
creativity to the  
digital age

# DESIGN

Design is one of the most important factors when building a brand. If you don't put time, effort, and even money into this, it may result in an unsuccessful business. The design is what will set you apart from your competition and help you garner the desired customers' emotions to complete the sale

# PRODUCTION SERVICES

Based in Jeddah, Saudi Arabia, we are a fully integrated production and entertainment house that is committed to creating visually driven commercials, television, and films.

driven by our obsession with story-first filmmaking, our focus is to create cinematic visual experiences that bring to the forefront stories and their characters.
